OPEN AND COMPLETELY UNFOLD THIS BALLOT GUIDE

This ballot guide contains all of the candidates for partisan races, nonpartisan races, and other issues that you are eligible to vote. Partisan races are those where candidates must declare a party affiliation or independent status. Nonpartisan races are those where no party affiliation is required.

The color of the printing on the ballot card you choose will match the color at the top of the pages containing candidates for that party: Democrats - red, Republicans - green, and Libertarians - blue. Pages with nonpartisan races and issues do not have any color-coding – they may be voted on any of the ballot cards you choose. Mark the designated nonpartisan spaces on the ballot card you choose – Democrat, Republican, Libertarian, or nonpartisan.

1. Study this Mail-In Voter Guide. Select your response to each measure ("Yes" or "No") and select each candidate for whom you wish to vote. Locate the number to the right of each section on this Mail-in Voter Guide.
2. Locate the same number on the Official Ballot Card.
3. Lay the Official Ballot Card on a hard, flat surface such as desk, table or counter.
4. With one hand, place the tip of a pencil in the middle of the black dot in the box with the number of your choice and press firmly.
5. Lift the ballot card with the other hand, making sure the rectangular "chad" is completely removed from the back side of the ballot card.
6. If you damage the Official Ballot Card or punch a wrong number, cross out the incorrect vote and vote the correct one OR you may request a replacement ballot by contacting your Auditors Office as shown below.
7. If you wish to write in a candidate, you may do so by using the space provided on the SECURITY FLAP attached to your Official Ballot Card. To vote for a person NOT listed in this Mail-in Voter Guide, write in the title of the office, the candidate's name and political party designation. You must vote for a candidate of the same Political Party of the ballot you have chosen or your vote will not count. Political party designations are not required for non-partisan offices.

10. Mail your ballot using a first-class stamp. It must be POSTMARKED by the day of the election. Instead of mailing your ballot, you may deliver the ballot to one of the following locations:
